#### Shows

In 2015 the club organized a club-show which was very successful. 9 ISD from Austria and Germany were shown.

And there were 9 dog shows (most of them double CACIBs) organized by the ÖKV (Austrian Kennel Klub). It is not possible to find out, how many ISD from other countries (specially Germany) participated. How many dogs from all different breeds and countries participated in each show is not possible to find out easily.
